Additionally, Petitioner alleges that her GBS meets the Table definition. *Id.* at ¶ 29. Petitioner further alleges that she received the vaccination in the United States, that she suffered the residual effects of her injury for more than six months, and that neither she nor any other party has filed a civil action or received compensation for her GBS. *Id.* at ¶¶ 1, 27, 30. The case was assigned to the Special Processing Unit of the Office of Special Masters.
